

Goldmedal Electricals launches 'OLA' Detachable LED Lights Coverage: **The Asian Age**

Date : August 22nd,2019

<http://bit.ly/3uU1Cir>

The screenshot shows a news article on the website 'The Asian Age'. At the top, there is a navigation bar with 'Menu', 'e-Paper', 'Age on Sunday', and social media icons. A search bar and 'Auto Refresh' option are also present. The date is 'Thursday, Sep 05, 2019 | Last Update : 08:53 PM IST'. Below the navigation is a horizontal menu with categories like Home, India, World, Metros, Business, Opinion, Sports, Technology, Entertainment, Photos, Life, Newsmakers, and More. A banner for Texas Instruments is visible, with the text 'Simplify your lighting design' and 'Use the first single-channel, linear automotive LED driver with integrated diagnostics'. The main article title is 'Goldmedal Electricals launches 'OLA' Detachable LED Lights'. It is categorized under 'Technology, Gadgets'. The article is published on August 22, 2019, at 1:50 pm IST. A short paragraph states: 'Goldmedal's OLA LED light is available at all major retail outlets at a starting price of Rs 560.' Below this is an image showing the OLA LED light fixture, which is a white, rectangular, detachable unit. To the right of the image is a 'MOST POPULAR' section with a list of five trending articles. At the bottom of the article, there is a small text block: 'LEDs are being used increasingly for power saving, heat reduction & lower electricity bills.' The main body of the article text begins with 'Goldmedal Electricals has launched the OLA Detachable LED light in the lighting segment. OLA is an extremely user-friendly LED and takes away the hassles associated with fixing and removing LED lights. With this launch, Goldmedal is offering the best LED lighting technology for indoors with both practical and decorative use.'
