Goldmedal launches i-Dock Music Player

Goldmedal Electricals has launched i-Dock music player under the GIFA range. The i-Dock player lets you charge your iPhone / iPod device and play music on your Apple devices and other MP3 players. It can be installed directly into a flush box with Goldmedal's modular cover plates. The 3.5 mm socket provided on the unit allows i-Dock to play music stored on any MP3 player, says the company. It is priced at **Rs 6,100** and is available at offline and online retail outlets across the country.
