

Goldmedal Electricals Launches i-Touch Wi-Fi Switch range Coverage: **Telecom Today**

Date : May 28th, 2019

<http://bit.ly/3c2V3BM>

The screenshot shows a news article on the Telecom Today website. The article title is "GOLDMEDAL ELECTRICALS LAUNCHES I-TOUCH WI-FI SWITCH RANGE". The article text describes the launch of i-Touch Wi-Fi switches, highlighting their features like manual control, remote control, mobile app, and voice commands (Amazon Alexa and Google Assistant). It also mentions the price of INR 5,900/- onwards. A quote from Mr. Kishan Jain, Director of Goldmedal Electricals, is included at the bottom. The article is accompanied by images of the red and black switches. The website header shows the date as Thursday, June 4, 2019, and the navigation menu includes News, Hot Topics, Devices, Technology, Enterprise News, Services, Industry, Government, Global, and Resources. A sidebar on the right contains a newsletter subscription form and a list of recent news items.
