The screenshot shows a news article on the Bisinfotech website. The header includes the Bisinfotech logo and a tagline: "We shape Power Management - we live Energy Efficiency". A navigation bar lists categories like Semiconductor, T & M, LEDs, A & D, AI, Security, Cloud & DATA, Telecom News, and Editor's Pick. The article title is "Goldmedal Electricals Launches Smart I-Sense Senso Switch" by Nitisha Dubey, dated January 23, 2020, with a 1-minute read time. The text describes the smart switch as a new addition to Goldmedal's home automation category, offering smart control for light sources, fans, and other appliances. An image of the switch is shown, and the text notes that the switch can be controlled manually, via remote control, mobile app, or voice commands like Amazon Alexa and Google Assistant.
