### Goldmedal Electricals launches smart i-Sense Senso Switch

Technology   22nd January 2020   PRINT   EMAIL   A-   A+

Goldmedal Electricals, a leading home-grown fast moving electrical goods (FMEG) company, has introduced Goldmedal i-Sense Senso Switch. The smart switch is an exciting new addition to Goldmedal's home automation category that offers a novel way to control light sources, fans and other appliances smartly. Goldmedal Electricals as a brand is instrumental in launching a range of home automation switches that can be controlled manually as well as through a remote control, mobile app and voice commands, viz. Amazon Alexa and Google Assistant.

Goldmedal Electricals' i-Sense Senso Switch can be operated with just a simple wave or hand gesture from a distance of up to 50 mm, unlike the regular switches that require physical touch for operations. It can be used as a 2-way or 3-way switch by wiring with up to five i-Sense Senso switches to control the same appliance. It also offers
