The image shows a screenshot of a social media post. At the top, the main title reads "Top 6 non-clichéd Raksha Bandhan gifts for your sister!". Below this, there is a sub-header "1 DAYS AGO by GNGADMIN". On the left side, there is a vertical column of social media sharing icons: Facebook, Twitter, Google+, Pinterest, LinkedIn, and a comment icon with a '0' notification. The main body of the post contains the same title "Top 6 non-clichéd Raksha Bandhan gifts for your sister!" in a large, bold font. Below the title, the text begins with "Raksha Bandhan is almost here! This auspicious festival is the perfect time to make your sister feel extra special and shower her with some unique gifts that she wouldn't forget in a long time. This year's Raksha Bandhan will be different from previous years given the evolving pandemic situation, however these limitations should not dampen the festive spirit. You can stay at home while making the most of this day! For this reason, we have crafted the perfect list of non-clichéd gifts that you can consider gifting your loving sister this Raksha Bandhan!"
